# Climate Change Idea Challenge - Video Submission

1. Navigate to youtube.com.

2. Click on **"Sign In"** in the top right corner.

3. Enter your Google account username and password and hit the blue **"Next"** button. If you do not have a google account, you will need to create one by clicking **"Create Account"** near the bottom of the Sign In page.

4. Once signed in, click the **"Camera Icon"** close to your google profile picture in the top right corner (or the first letter of your username). Then choose **"Upload Video"**.

5. Next you will see a screen that says "Upload videos". You can either drag your video file into this window **OR** click **"SELECT FILES"**, navigate to where your file is located and then double click it.
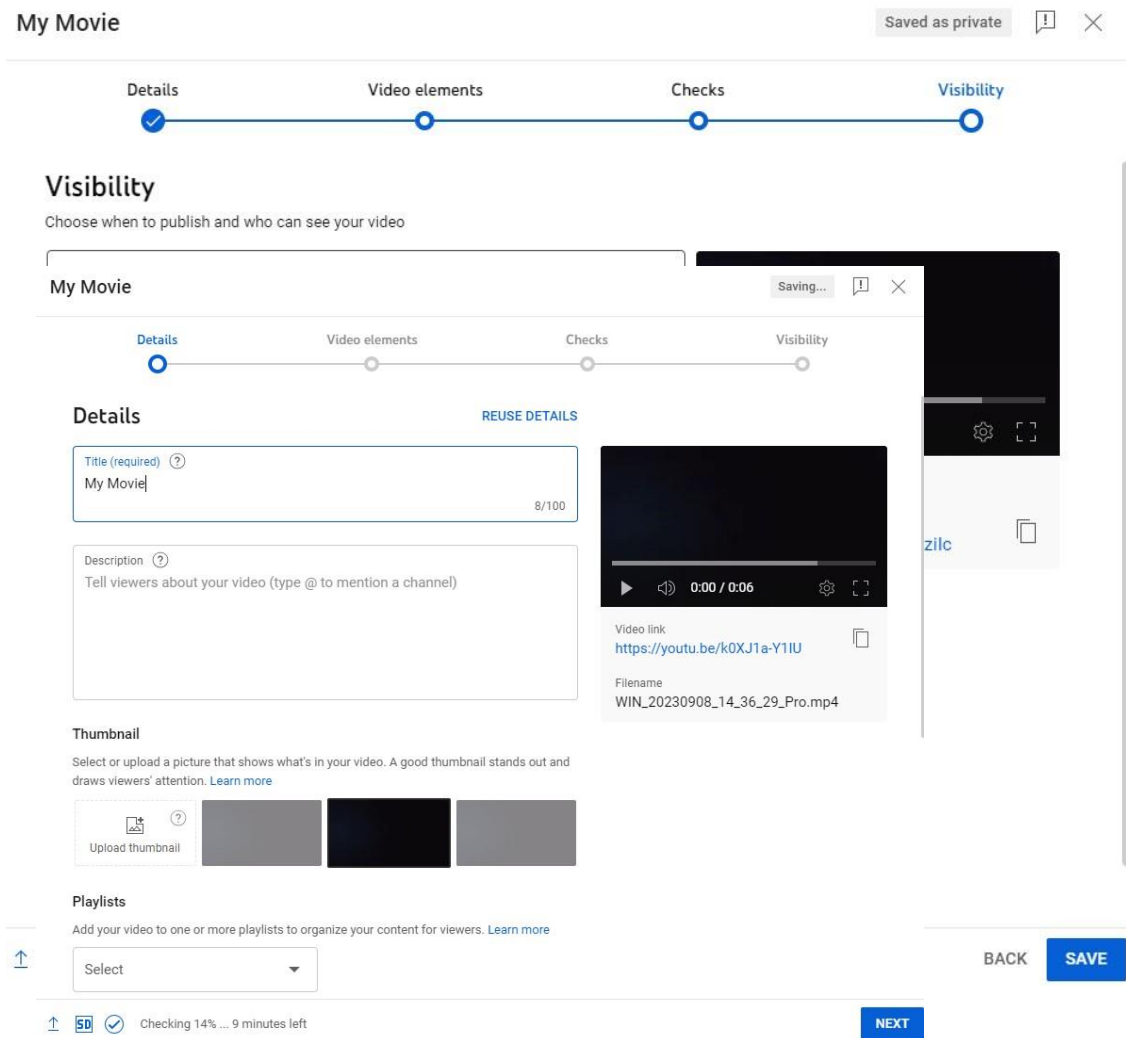

6. Once your video is selected, it will start uploading. After a few seconds, the screen below will appear. **Change the title of your video to the title of your idea**.

7. Scroll down the page to the Audience section and select **"No, it's not made for kids"**. Then click **"NEXT"** in the bottom right corner.

○ Yes, it's made for kids

◉ No, it's not made for kids

8. Click **"NEXT"** until you reach the **"Visibility"** tab. Once here, click **"Unlisted"** and then click **"SAVE"**.

9. Copy the link for the video by clicking **"Copy Video Link"** (the two squares beside the video URL) **OR** by highlighting the URL, right clicking, and selecting copy. Paste this link into the <mark>Climate Change Idea Challenge</mark> submission form.
