Overview

Confederation College's Business program is a two-year Ontario College Diploma program for students who want a comprehensive education in all areas of business.

You will study finance, entrepreneurship, marketing, accounting, human resources, and organizational behaviour to give you a broad understanding of these key areas. This program will help you prepare for a wide range of job opportunities in business, giving you a solid foundation to build your career.

Most importantly, the Business program gives you options. This program has a common first year with the Accounting, Human Resources, and Marketing programs, allowing you to transfer to one of these programs after the first year if you choose.

Top Highlights

- Touches upon all areas of business to help you find what interests you most
- Gives you a well-rounded business education to prepare you for a wide variety of business careers
- Allows you to transfer to Accounting, Human Resources, or Marketing after your first year
- Receive your Business Fundamentals Certificate after your first year

Employment Opportunities

Completion of the Business program may help you build a career in many different areas including general administration, wholesale/commercial sales and business management. It will give you a competitive advantage over those who do not have a formal business education. You could work in a wide variety of industries including retail, B2B, resource sector (mining, forestry, transportation, energy, etc.), government, banking, and non-profit. This program will also give you a solid basis to help you launch your own business!
