

These scholarships are made possible with the generous support of

CANARECTOR
FOUNDATION

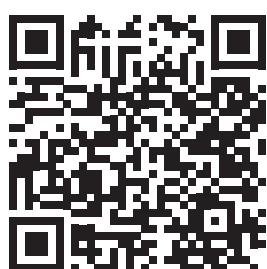

Get up to \$1,000 per semester toward your tuition at Confederation College and \$1,000 when you graduate!

If you're a student enrolled in one of the following programs:

- Aerospace Manufacturing Engineering Technician
- Aviation Technician - Aircraft Maintenance
- Electronics Engineering Technician
- Electrical Engineering Technician Program
- Embedded Systems
- Engineering Business and Safety Management
- Industrial Manufacturing Processes
- Instrumentation Engineering Technician – Process Automation
- Mechanical Engineering Technician

Canarector Scholars will also have access to unique opportunities to meet and learn from industry professionals, as well as custom clothing to wear in the classroom and on the job.
