- Qualifications:**
- Must be a full-time post-secondary student at Confederation College in the 2024-2025 academic year (minimum – attending entire winter 2025 semester). Full-time is defined as having a minimum 60% course load, or 40% if you have a permanent disability.
 - Must be returning to Confederation College as a full-time post-secondary student in September 2025
 - Must be a Canadian citizen, permanent resident protected person, or an international student who is legally eligible to work in Canada.
 - Good attention to detail.
 - Strong analytical and problem-solving skills.
 - Ability to work collaboratively with project team and also independently.

- Duties:**
- Assist with Data Collection – Gather, organize, and process research data.
 - Support Software Development – Help with coding, debugging, and testing.
 - Conduct Literature Reviews – Summarize relevant research and industry trends.
 - Collaborate with Partners – Participate in meetings and assist with project tasks.
 - Document Research Activities – Maintain notes, reports, and records.
 - Assist with Prototyping – Help develop and test project solutions.
 - Perform General Research Tasks – Support various activities as needed.

- Health & Safety Considerations:**
- Ergonomic Workstations – Ensure proper desk setup, chair height, and screen positioning to prevent strain and repetitive stress injuries.
 - Cybersecurity Awareness – Follow data security protocols, use strong passwords, and avoid unauthorized software or data sharing.
 - Safe Equipment Use – Handle hardware, lab equipment, and electronic devices safely, following proper guidelines.
