Days	
Hours	As scheduled to a maximum of 35 hours

- Qualifications:
- Must be a full-time post-secondary student at Confederation College in the 2024-2025 academic year (minimum – attending entire winter 2025 semester). Full-time is defined as having a minimum 60% course load, or 40% if you have a permanent disability.
 - Must be returning to Confederation College as a full-time post-secondary student in September 2025
 - Must be a Canadian citizen, permanent resident protected person, or an international student who is legally eligible to work in Canada.
 - If domestic, must be approved for OSAP, or complete the [needs score spreadsheet](#) to demonstrate a financial need
 - Must be a Canadian citizen, permanent resident protected person, or an international student who is legally eligible to work in Canada;
 - Students must be within the School's programs including Nursing (PSW, PN, BScN), MLA/MLS, Dental, paramedics, MRT programs in the program in the 2024-25 academic year

Duties: Working in the School of Health, Negahneewin & Community Services, the Summer Student - Lab Support Worker will assist in all healthcare related labs (including but not limited to the nursing, MLA, Dental, paramedics labs and spaces). Duties include, but are not limited to, the following:

- Organizing and maintaining the medical lab supplies and equipment;
- Preparing for the School of Health and Community labs;
- Completing annual lab inventory; Updating MSDS sheets;
- Assisting with completing Health and Safety lab manuals; and
- Working in compliance with the Occupational Health and Safety Act.

Health & Safety Considerations: Aside from working in a medical/health laboratory setting which may contain pieces of equipment, supplies and furniture and some odd MDSS materials that may need to be moved around, there are no other health concerns.
