

Pharmacy Technician

Pharmacy Technicians play a vital role in healthcare, ensuring that patients receive the right medications and support they need. With a Pharmacy Technician diploma from Confederation College, students will be well-prepared to embark on a fulfilling career in the pharmacy industry.

Confederation College's Pharmacy Technician program is the gateway to a rewarding career in the world of pharmacy. This two-year program is designed to equip students with the knowledge and skills needed to provide essential pharmacy services. They get hands-on clinical experience working alongside experienced Pharmacy Technicians. The program meets industry standards and prepares students for real-world challenges.

Our program is approved by the College of Pharmacists of Ontario, ensuring that graduates are eligible to apply for registration as Pharmacy Technicians in the province. Upon registration, career opportunities are available in hospital pharmacies, community pharmacies, and more. Graduates can also pursue further education and specialization in pharmacy-related fields.
